Moving Your Company Forward to the Future of Work

Dan Michelson

Summary

HOLY SHIFT! Moving Your Company Forward to the Future of Work takes you on a fascinating journey to the heart of the single biggest and fastest shift in how we work and live in history. Readers and leaders at every level of an organization will discover stunningly practical ideas and actions that address the three big and thorny questions of our time: How did we get here, where do we go from here, and how do we get there?

A visionary CEO with a track-record of building world-class company cultures, Dan Michelson combines a *reflection* of how we got to now with *research* on how companies are managing this moment to create a *roadmap* in the form of a strategic framework and pragmatic playbook. *HOLY SHIFT!* maps the three simple steps that you can take to create momentum to move your company forward to the future of work:

STEP ONE: See the Shift – Understanding how we got to now helps us to determine where we should go from here. We're living through a truly stunning and historical change. In other words, shift has happened.

STEP TWO: Shift Your Mindset – A shift in thinking is now needed to h...

Control, Influence, Accept (For Now)

Coping with a Future No One Can Predict

Dan Moore

Summary

Prepare for the future from the inside out.

How keen is your self-knowledge? Who influences your understanding of others? When was the last time you really concentrated on your purpose, your resilience, your perspective? And what in the world is *polvo*?

In *Control, Influence, Accept(FN)*, author Dan Moore guides you on an antic journey of self-reflection with a very serious goal: to help you cultivate your inner-self who will be ready for whatever the universe throws at you—the obvious and the odious.

From his days selling books door-to-door in the Arizona desert to trying Portuguese delicacies under the watchful eyes of his would-be in-laws, Moore has lived a life just on the edge of the ordinary . . . and he has extracted extraordinary insights from every colorful experience. In hilarious, everyman language, Moore describes his own inflection points and shows you how personal growth will help you get *through* when getting *out* simply isn't an option.

In a world where the only constant is change, Dan Moore thinks you owe it to yourself to set positive patterns for the one and only asset you...

Once Upon Tomorrow

Harnessing the New Opportunities the Metaverse Creates

Shurick Agapitov

Summary

Shurick Agapitov's *Once Upon Tomorrow* unpacks the sometimes vague concept of the metaverse and shares the opportunities that are and will be available within this new world.

Thirty years ago, the advent of the internet changed the world. For the first time in human history, the collected knowledge of all mankind was freely available to every man, woman, and child on the planet with the click of a few buttons.

Fifteen years ago, the world changed again with the widespread availability and adoption of smartphones that put the full power of the internet in the palm of our hands whenever we want and wherever we are.

As monumental as these advancements were, they were just the warmup for the change that's coming next. In just a few years, we won't think of "going on the internet" to look up information and find entertainment. Instead, we'll already be *in* the internet, living, working, and playing in an endless virtual world that will turn everything we think we know about the internet on its head.

Welcome to the Metaverse.

In *Once Upon Tomorrow*, visionary tech CEO Shurick Agapitov dives deep i...

The Privilege Race

A Guide to Overcoming Negative Voices and Influences

Brian Thomas

Summary

I am a Black man in America . . . and I am privileged.

While growing up, author Brian Thomas might not have considered himself privileged. The biracial son of a Black father and a white mother, he watched his parents struggle against racism and bigotry, and witnessed the strain this sometimes placed on their relationship.

Yet he also saw them fight their way into the middle-class, which allowed them to buy a nice home in a school district that provided Brian and his sister with a solid education. He now realizes that their sacrifices and determination to provide a better life for their children were what put him in a position of privilege.

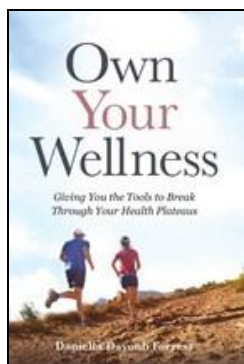

In spite of the benefits his upbringing afforded him, Brian had to overcome immense hurdles, including two kidney transplants. And his experiences have shown him that regardless of circumstances, success is within everyone's reach.

The Privilege Race explores what it means to be privileged in America and provides a roadmap for you to build a bridge between the life you're currently living and the one you want to live:

- Learn about your mental conditionin...

How Great Is Our God

Living a Worship-Led Life in a Me-Driven World

Chris Tomlin, J.D. Walt, Max Lucado

Summary

Recenter God in your life with *How Great Is Our God: Living a Worship-Led Life in a Me-Driven World* by Grammy Award-winning worship artist Chris Tomlin. In this intimate look at his songs, Tomlin shows how worship music is more than just music but a tool for putting God first.

Living in a me-driven world means being the king of a small, earthbound kingdom. Chris Tomlin posits that when you choose to live a worship-led life instead, you will eventually gain welcome to God's eternal kingdom. After spending over two decades as one of the most successful worship musicians in the market, he's learned that he wasn't just called to sing but to lead others to God. He shows with his writing how God is all around us, encouraging us to reject the worldly notion of living for ourselves and instead decide to live for Him.

Tomlin uses his experience as a worship artist to detail what it means to truly live a worship-led life, including:

- Exploring how his songs emphasize a God-centered life,
- Explaining how Christians can redefine worship in their everyday lives,
- And breaking down Bible verses that celeb...

My Story, Your Glory

Discover the Journey God Has Planned for You—A 30-Day Devotional

Matthew West, Matt Litton

Summary

Discover how God's love can rewrite your story in *My Story, Your Glory*, a thirty-day devotional that explores how God's glory redeems every chapter of our lives—inspired by Dove Award-winning worship music artist Matthew West's song "My Story, Your Glory."

My Story, Your Glory reveals how God brings hope into all situations in our lives. We all have hurts, mistakes, and losses in our lives that we wish would disappear. God promises that He will work all things together for the good of those who love Him. The God of mercy doesn't mark up our stories with a red pen; He blots out our sins and then comes alongside us, encouraging us to keep writing. Readers will learn how to find God's purpose in their pain and His message in their mistakes.

By sharing his own highs and lows, West relates to readers and helps them to reflect on the less-than-perfect parts of their lives. Readers are pointed to examples in Scripture of people not much different from us, and how God, in His glory, redeemed their stories. In every way that we are not enough, our God is. West encourages readers to give God the...

Awaken Your Potential

10 Ways to Unlock Greatness

Chad L. Reyes

Summary

In *Awaken Your Potential*, leadership coach Chad Reyes becomes a type of virtual mentor to help people fulfill their maximum potential, to become leaders, and then to turn around and help others fulfill their own potential.

Today's institutions are facing a serious, global crisis that threatens to destroy how we work, live, serve, and play.

No, it's not a health or financial crisis; it's a *leadership* crisis.

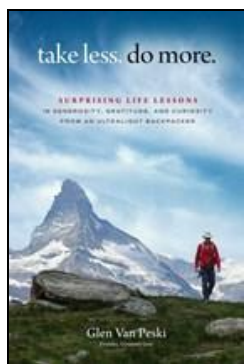

Organizations around the world are lacking effective, competent leaders who know how to make a significant personal investment in both their organization and the people within it.

More importantly, this generation of leaders isn't awakening the untapped potential within their teams. That is a problem—perhaps *the* problem—that leads us into dull, dreary workdays and wholly ineffective, unsatisfying work.

It's time to change that.

In *Awaken Your Potential: 10 Ways to Unlock Greatness*, entrepreneur, speaker, and leadership coach Chad L. Reyes will guide you in how to

- Make your purpose bigger than your problem.
- Give more than you take from others.
- Separate *what you do* from *who you are*.
- Get a val...

Take Less. Do More.

Surprising Life Lessons in Generosity, Gratitude, and Curiosity from an Ultralight Backpacker

Glen Van Peski

Summary

In this personal journey, ultra-light backpacker and sought-after speaker Glen Van Peski shares the life lessons he has learned through years of lightening his pack and helping others.

Adventures provide the richness and texture to a life well lived. So remain open. Keep saying yes to life's opportunities.

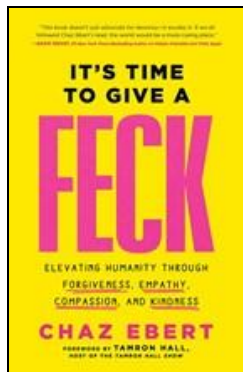

Glen Van Peski helped revolutionize backpacking by creating ultralight equipment, which allows people to *take less* so they can *do more* in the wilderness. During decades of championing ultralight backpacking, Glen became aware that "take less, do more" is more than just a hiking slogan. As he reduced his pack weight, he realized that the lessons learned applied to *all* areas of life. Now he wants to share the lessons he learned to help others live full and vibrant lives—lives characterized by purpose, meaning, and joy.

In this book, you will discover transformative life lessons, which may go against the grain of popular thought but have been proven to change lives for the better. You'll learn that:

- Often the best strategy for achieving goals comes from subtracting rather than adding.
- When...

Glen and his company have been featured in *Backpacker*, *Outside*, and *National Geographic Adventure* magazines, and the *New York Times*.

It's Time to Give a FECK

Elevating Humanity through Forgiveness, Empathy, Compassion, and Kindness

Chaz Ebert, Tamron Hall

Summary

Forgiveness, Empathy, Compassion, and Kindness—these four fundamental human values are the key to unlocking great unity and humanity. In *It's Time to Give a FECK*, Chaz Ebert takes the reader through a heartfelt journey of how the four FECK Principles have prevailed through the most adverse circumstances and united strangers in the name of love. Read on to discover the stories and science as to how the elevation of our personal humanity is key to keeping humanity as a whole united.

None of us has to go it alone.

Since her husband's, Roger Ebert's, death on April 4, 2013, it has been Chaz Ebert's fervent desire for things such as forgiveness, empathy, compassion, and kindness—the *FECK* Principles—to spread in such a viral way that they become a natural part of our lives. A next step to the work Chaz and Roger began together, *It's Time to Give a FECK* is a call for the elevation of unity among humanity and a movement to transform empathy into action by choosing to become a part of the conversation surrounding the philosophical principles that matter for the betterment of our local and global...

Crash Course

A Founder's Journey to Saving Your Startup and Sanity

Ricardo Jiménez

Summary

In *Crash Course*, Ricardo Jiménez recounts his personal startup failure so that other entrepreneurs and business founders may learn from his mistakes as they chase their own business dreams.

Nine times out of ten, the passionate, well-educated, semi-cocky entrepreneur with dreams of taking the market by storm . . . fails.

Whether it's a quick crash and burn within the first year or a longer struggle over several years, the result is usually the same: an exhausted, confused, financially broke, and emotionally broken startup failure.

We love to hear stories of lean-and-mean startups that bootstrap their way to a hard-fought victory. But what about the other 90 percent? What about the startup founders who were chewed up and spit out by potential investors, dirty-dealing partners, and fickle customers? What about the ones who dared to give their dream wings . . . only to watch it crash on the runway?

Don't we have as much or more to learn from them as we do the lucky few who actually make it?

In *Crash Course*, entrepreneur Ricardo Jimenez crawls out from under the wreckage of his failed startup...

A ONE-STOP SHOP FOR THE BEST OF SELF-HELP

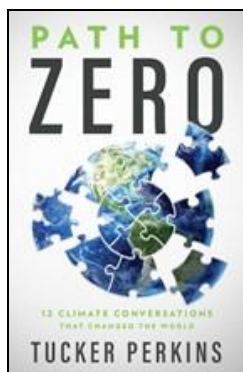

The innate drive to “do better” and to “be better” seems to be hard-wired in most individuals. In fact, the \$10 billion self-help industry would seem a compelling testament to that conclusion. It has produced libraries of priceless insight from gurus and everyday folks, celebrities and prodigies, millionaires and poets. There’s plenty of advice out there to get you almost anywhere you want to go—and more than enough to get lost in. So, where do you begin?

That’s where Jim McCann and George S. Everly, Jr., PhD, FAPA come in. Together, the 1-800-FLOWERS.com founder and the esteemed psychologist have combined the practical with the scientific to explore the most celebrated self-help books and unveil the top reoccurring themes: why they matter, and how they are applied, in one digestible volume. No book like this has ever been written!

Path to Zero

12 Climate Conversations That Changed the World

Tucker Perkins

Summary

Tucker Perkins’ *Path to Zero* shows how we can reverse climate change and create a cleaner environment for future generations by putting aside our biases and working together for change.

Climate catastrophe-inspired narratives like “Electrify Everything!” have a grip on people’s minds. The simplicity of the solution to the most complex endeavor ever faced by humans—the journey to a net zero future—is seductive, but it is fundamentally flawed.

In *Path to Zero: 12 Climate Conversations That Changed the World*, author, Tucker Perkins takes readers on a series of future-casting journeys from the Year 2050 back to the present day to show us how a better way—a wide path to net zero carbon emissions—was, and can be, achieved in an accelerated time frame.

In this work, Perkins uncovers an array of practical, often obvious, measures the world can take to achieve a better, cleaner future inclusive of energy and power. Unlike other authors and voices of this age, Perkins shows us that change is possible, innovation is happening, and dogmatic devotion to singular solutions is one of the biggest impediments.

Contributor Bio

Tucker Perkins is the host of *Path to Zero*, a podcast on which he has interviewed nearly 100 experts on subjects ranging from internal combustion engines to environmental equity. He is also the president and chief executive officer for the Propane Education & Research Council (PERC), a position he’s held since 2017.

Perkins is a frequent speaker on the subject of net zero and commentator on the energy industry for major media print and radio outlets and the Schwab Network.

Perkins has served as PERC’s chief business development officer and its chief operations officer. He previously was a member of the PERC Advisory Committee, where he chaired the panel on engine fuels. His extensive
